

AN INVITATION

## ScreenSafe Roadshows In April

ScreenSafe recently completed the first sections of the newly developed New Zealand Screen Sector Health and Safety Guidelines, now available at [www.screensafe.co.nz](http://www.screensafe.co.nz)

In mid-April, roadshows will be taking place in Wellington, Auckland and Queenstown to discuss the new Health and Safety at Work Act 2015 and the implications this has for the Screen Sector. These roadshows are a great opportunity to learn how the new Act affects us all, as well as gaining further clarity about our new responsibilities and liabilities under the Act.

The roadshows will be hosted by ScreenSafe with briefings by MinterEllisonRuddWatts, who have provided legal advice in the development of the new Guidelines. Representatives from the NZFC and NZ On Air will also be in attendance.

These roadshows are free to attend, but numbers are limited so please secure your place through EventBrite below and select which session you wish to attend.
